DETAILED ACTION

This Office action is in response to the amendment filed October 14, 2008 in which claims 11, 13 and 15 were amended.

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 11, 15 and their dependents are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
3. It is not clear what step (e) means. Is "a bottom portion of a mixing tank" different from the mixing tank where "separating the mixture solution in the mixing tank" occurs? It is not clear if this step occurs in the same tank or if the water rich portion is in a separate tank. Clarification and correction are required.
4. Claims 13 and 14 are allowable for the reasons of record.
